

Dear Parent:

With the rising cost of food, fuel, etc., you can readily understand that it is necessary for schools, camps and all non-profit organizations to take advantage of any Federal reimbursement programs available. As a non-profit organization we are eligible to receive Federal reimbursement of meal costs for children who qualify under the Child Nutrition Programs administered by USDA and the New Hampshire Department of Education. We ask your cooperation in helping us to defray costs by completing this eligibility form. This information will be used only for our eligibility requirements and will be kept in strict confidence. If your income is less than or equal to the values below, we will be eligible for Federal assistance.

We thank you for your assistance.
